Find Your Ring Size

Method 1

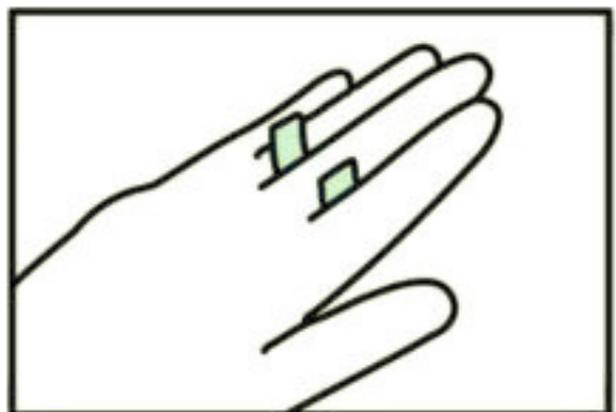

If you don't have a ring

Step 1

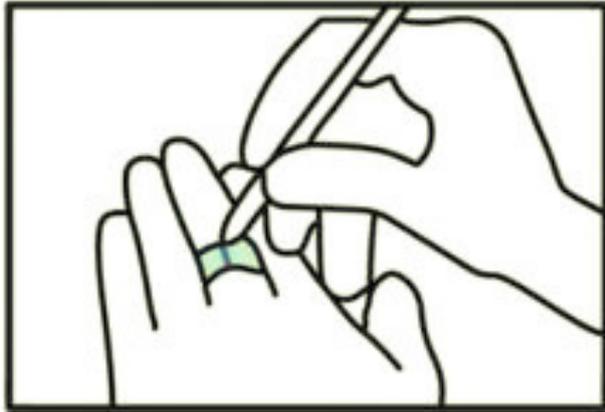

A thin strip of paper

Step 2

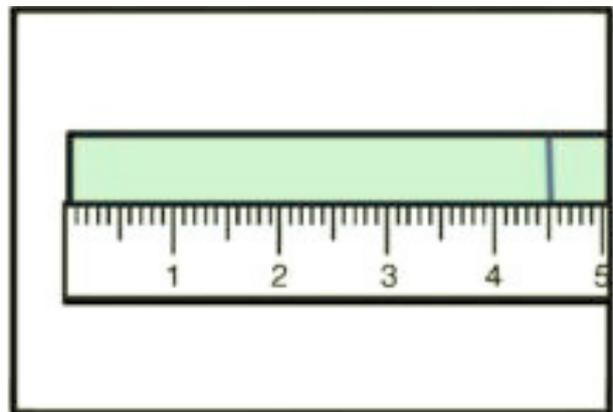

Wrap a thin strip of paper around your finger.

Step 3

Mark the meeting point with a pen.

Step 4

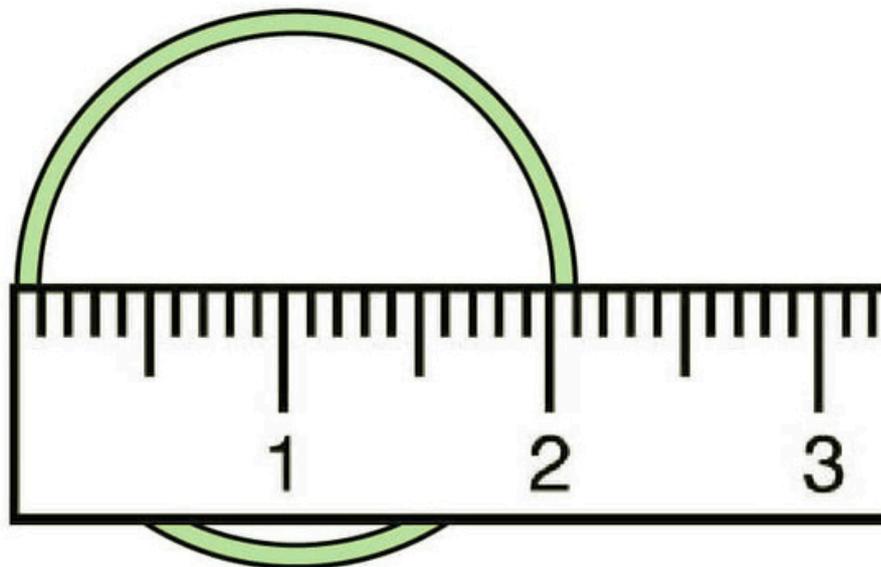

Measure the length with a ruler.

**You now have your ring circumference.
Scroll down to the size chart below and match it with
the circumference column to find your ring size.**

Method 2

If you have a ring

- Place the ring
- Place the ruler across the centre of the ring
- measure the distance between the inner edges of your ring.

Now you have your ring inner diameter.

Scroll down to the size chart below and match it with the inner diameter column to find your ring size.

If not both, then go to your nearest jeweller and get your ring size measured.
